## ST Lawrence Schools

**There are lots of ways you can help and support your child through the PTA.**

**Become a member of the PTA committee:** If you would like to be more involved you can volunteer to be a Committee Member. The PTA committee consists of a Chair, Treasurer and Secretary.

**Events planning:** Be a part of all events, not just by gracing us with your presence but by organizing and also participating in them. There is always a need for extra hands to put on successful events, don't just be a bystander complaining about the errors, join us today and add your abilities in any capacity; organising a raffle/sorting prizes, baking cakes, doing arts and crafts, designing event programmes/flyers etc. to help us create amazing events.

**Valuable skills and ideas:** Your inputs are not limited to event planning alone. You can also help by letting us know if you have any skills or ideas concerning any and every aspect of your child's education we could use, everything is potentially valuable to the PTA.

As well as being a fundraising body the PTA is a great way to meet other parents and support your children in school.
